**Making a Consistent Gift to the Parish**

In thanksgiving for our blessings, each household is asked to work toward giving a planned percentage of income and assets to our Parish.

Annual House- hold income	Weekly Contrib.		Monthly Contrib.	
	5%	3%	5%	3%
\$26,000	\$25	\$15	\$108	\$65
\$52,000	\$50	\$30	\$217	\$130
\$78,000	\$75	\$45	\$325	\$195
\$104,000	\$100	\$60	\$433	\$260
\$130,000	\$125	\$75	\$542	\$325
\$260,000	\$250	\$150	\$1,083	\$650

\*At Resurrection, each household is asked to works towards giving the Biblical understanding of tithing (10% ideally). That would mean, if possible, 5% of their income to the parish. Some families may have difficulty reaching this goal at first. If so, try increasing your current gift by 1 or 2 percent of your household income. Proportionally, the ideal suggestion is to look at the total of what you give to all church/charity groups, then consider aiming towards:

- 5% to Resurrection
- 1% to the Diocese (e.g., Catholic Ministries Appeal)
- 4% to charities of your choice (United Way, CRS, etc.)

For God in Prayer, Spiritual/Personal Enrichment is the start! Only when we do these can we really offer ourselves in service to others.
